

## PRAYER LIST

You are invited to join the church in praying for one another and for one another's requests. As you go before the Lord this week, keep this list handy and lift up your brothers and sisters in Christ.

1. A spot on the back of my eye about the size of a pencil eraser, has begun to grow after 25 years. Since that may mean it is cancerous, a CT scan has been scheduled to look at it. There is some confusion as to whether our insurance will pay for it. Please pray for that. *Connie*
2. Please pray for my friend, Sylvia, who has a stone in her pancreas and is in a lot of pain. Also, pray for Terry's test to be negative. *Eleni*
3. Please pray for our daughter, Kirsten, who had major surgery. We're asking for a complete healing and for her salvation. Thank you. *Larry and Sally*
4. Lord, I'm asking for a healing of my best friend's husband's leg, as an infection has once again returned. May the antibiotics clear the infection. *Bonnie*
5. Pray for continued good health for Leighton, please. God is good and she'll get her kidney at the right time. *Ellen*
6. Praise God for giving me strength to get through my long week and conferences. Pray that I can get some rest during my break this week and that Annise and I don't get sick. *Cheri*
7. Praise for protection from the hurricane this past week when I was in Mexico, and that our work event there was not impacted. Pray for the family of a UK friend, Nicola, who passed away from cancer this week. *Lou and Sarah*
8. Thank you, Lord, for all the prayers answered for my daughter, Suzanne. They are finally starting to rebuild. Pray that we elect the right person to be President of this country. Thanks be to God. *Margie*
9. Pray for the INCREASE ministry. May we live our life with integrity and compassion to change others. Pray for employer/employee relationships. Pray for those who are sick, mentally and physically, and for their healings. May Your will be done. *Jeff*

10. Praise God that our son, Cody, was not hurt from a hit and run car accident by a drunk driver. Please pray for peace, and that he will be covered by insurance to repair his car. *Glinda*
11. Please beloved brothers and sisters in faith of Jesus Christ, pray for our legal issues, for me to get a good job and finish electrician and air conditioning practices, for debt consolidation, and for citizenship. *Juan*
