

PRAYER LIST

You are invited to join the church in praying for one another and for one another's requests. As you go before the Lord this week, keep this list handy and lift up your brothers and sisters in Christ.

1. Please pray for my mother-in-law who is having cataract surgery. She is very nervous, and I pray for comfort and a good outcome. *Diane*
2. Pray that front-line workers world-wide will have the tools they need to share the gospel effectively with their families, villages, and even those who oppose the gospel. May the Lord provide the transportation they need to reach the unreached. *Gloria*
3. Please join me in praying that 2025 is the year Leighton will get a kidney so she can start living a normal, healthy life. *Ellen*
4. Pray for my friend's son, Kyle, and daughter-in-law, Lauren, and grandson, Jack, who lost everything in the CA fires. Pray for their needs for a place to live and for the finances to provide for their needs. Pray, too, this would draw them, and my friend, to Christ. *Maggie*
5. Continue to pray for my sister, LuAnn, with leukemia. Results of the bone marrow biopsy are due mid-week. *Barbara*
6. Pray for good health this week for all, and especially our neighbor, Candice. *Alan*
7. Pray that employers and employees find each other. Pray for a healing for both the mentally and physically needy, and for those grieving. Pray that we live our lives with belief in you, and with love and compassion for others. *Anonymous*
8. Please continue to pray for Scott, Pam, and Jim. Pray for Scott's heart and kidneys, Pam's strength, and Jim's pancreatic cancer. *Dan*
9. Pray for my nephew, Bobbie, and his family. He has cancer nodules in his lungs. Pray God's will be done. Pray for wisdom and direction for the doctor for Heather's test on 1/13. *Marilyn*
10. Please continue to pray for the salvation of our sister-in-law, Lori. Praise and thanks for the good heart scan results. My heart is normal. Next step is appointment on 1/15 with family physician. *Bruce and Ann*

11. Please pray for those affected by the fires. Please pray for our children, for direction and protection. Pray for Sara as she leaves her job after 3 years. *Lou and Sarah*
12. Pray for more work for Rob. Tomorrow, Rob has dental surgery. I have my 6-month follow-up for fluid that is not coming off fast enough, and I'm praying I don't get admitted. Pray our licenses come soon in the mail. God is good all the time. *Carrie*
13. Pray for our family—for son, Jason, and DIL, Heather, and their three girls, Emily, Kelsey, Danika; for daughter, Katie; for daughter, Rachel and SIL, Josh, and their three kids, Lilly, Talulah, and unborn baby. Pray for health, provision, protection, and most importantly that they would fall in love with Jesus. Pray that their hearts would be set on fire to serve God. Pray that Tab and I pray fervently and with perseverance. *Christy*
14. Thank you for your prayers for our grandson, Jacob. His brain MRI results show no brain damage due to Lyme disease. God is so faithful to answer our prayers. *Gary and Jocelyn*
15. Please, my dear brothers and sisters in Christ, pray for the following: praise for my debt consolidation; for good full-time or two part-time jobs; to pass my finals for becoming an electrician and air conditioning specialist; for my US citizenship and Parker Bible Church membership; for my wife, Mariela, and her needs; for nephew, Luis, and his health needs. *Juan*
16. Pray that my mom's funeral service will go well on 1/18 at Southwest Community Church. *Tom*
