

PRAYER LIST

You are invited to join the church in praying for one another and for one another's requests. As you go before the Lord this week, keep this list handy and lift up your brothers and sisters in Christ.

1. Please pray for Bonnie Guy as she is suddenly in the hospital. Pray for healing and peace for her and the family. *Trina*
2. Pray for the families of Moreno and Seda as both have lost loved ones in the past weeks. Continue praying for son, Eric, for healing from headaches. Thank you for praying for my nephew, Treston, as he has chosen a military school in Virginia. *Brenda*
3. My brother-in-law's surgery for blood clot issues is May 12. Please pray for his protection. *Anne*
4. Please continue to pray for Larry for the next three days. *Eleni*
5. Praise God that Joseph has his birthday this week. Joel also has his birthday this week. I praise God for both of them—a great husband and a good son. Praise God alone! *Cynthia*
6. Pray for Elizabeth's healing from pain in her legs. Praise God Ezekial is here, born two months early at 3 lbs. 6 oz. Ketone levels off forced early birth on Thursday. Rachel came home on Saturday. Praise God! We were able to get most of what she still needed for him on Market Place after she came home. He provides! He blesses! We thank God for the mighty prayer warriors in this church. Ezekiel gained over a pound in a week and is healthy! *Christy*
7. Pray for Dennis' healing. Pray for brother John's salvation. Pray for 2-year-old Stella's brain surgery. *Bonnie*
8. Pray for all who suffer and grieve. *Gloria*
9. Thank you for the song, "Nothing but the blood." Years ago, my husband and I did nursing home ministry. One lady would ask for that song in memory of her cancer, and if she wasn't there, someone else would ask for her song. One Sunday when she wasn't there, we went to see her, and she was passing away. Dennis started playing and she passed away. The nurse and aide said she was waiting for her song to go home. *Joyce*
10. Pray for Austin to get a job and health insurance so Heather can have surgery. Praise for my daughter's good doctor report. Praise that my grandson got a job. *Marilyn*

11. Pray for Cody's salvation. *Melody*
12. Pray with me for my friend, Kaitlin, as she seeks God's will for a job. *Brittany*
13. Please be in prayer for our former nanny, Karyn, who is very unwell right now. Pray for her healing and for peace for her family. *Lou and Sarah*
14. Pray for my adult sons, Michael and Dax, and for their families' salvation. Pray for God's will on the sale of my home and the next steps for me. *Caroline*
15. Pray for John's 82-year-old mom who has water damage to her home affecting 75% of her house. Please pray for her as she is in temporary housing and still in chemotherapy. Pray for patience and speedy repairs so she can move back into her home. *Laura*
16. Please, beloved brothers and sisters in faith, pray for the following: President Trump and the USA; to pass exams for becoming an electrician and air conditioner specialist; my USA citizenship; to find a good full-time job; my wife, Mariela's legal and health issues; health of my nephew, Luis. *Juan*
17. Pray for matching of company to employee and those seeking out your significant other; healing – mentally, physically, grieving, and homeless; us to strengthen our faith in Jesus; our President and administration to govern with compassion and love of others. Praise we are all God's children! *Anonymous*
18. Pray for the Lasinki family. Husband, father, and grandfather, Richard, went to be with Jesus. Pray for their family as they grieve. *Linda*
19. I need guidance and prayers. I have geared my career and education around helping others and am excited to be back into nursing school. In October, I got in a car accident and totaled my car, lost my job, and my apartment. My friend is letting my dog and I stay with them for now. Two years ago, I lost my mom to suicide. I do not have family support and it's been hard. Pray for my applications for scholarships and grants. Pray that I have clarity and understanding in my situation. Thank you for taking the time to read this and pray for me. *Jordan*

How can we pray for you?
