2. Pray for healing! I came home from my trip with so many bites and a broken toe. Praise God, though, for a safe trip! *Cheri*
3. Please pray for Lou as he has knee replacement surgery on 1/29. Pray that recovery will be without issues over the coming weeks. He will have the other knee replaced on 4/9, God willing. *Lou and Sarah*
4. Please pray for Bill who is having surgery on 1/26 at noon. Pray for Barry who needs prayers for salvation and for healing from mouth cancer. *Eleni*
5. Please continue to pray for my 80-year-old Aunt Barbara's surgery on 1/27. Pray for God's wisdom, skill for the surgeon, and healing and recovery for her. *Glinda*
6. Terry Long remains at St. Andrew's Rehab for a fracture in her back. She recently had surgery for breast cancer and was told last week that cancer remains in her blood. She will be restarting infusions and shots for treatment. Pray that her despair over this news is replaced with hope and confidence in God, her Savior. John 14:27 *Bruce and Ann*
7. Pray for His healing for those with physical and mental issues. Pray also for the homeless, grieving, and those dealing with deportation issues. Pray for Trump and his administration. Pray that we love our brothers and sisters as ourselves. Pray that we reach out to others in our church. *Anonymous*
8. Pray for Rachel as she continues to figure out how to help Ezekiel grow. Bless her with wisdom and knowledge beyond the training she's been given. Praise God he is growing. Pray for friends, Bill and Linda. He had another brain surgery and needs healing, and they need salvation. *Christy*
9. Please pray with me to continue to trust how Jesus is working in my life. Pray for my endurance and a steadfast spirit. *Brittany*
