

Prayer Requests

Fellowship Community Church

February 8, 2026

Please pray for these requests this week!

1. Please, beloved brothers and sisters in faith in Christ, pray for the following: that I pass my final practices as an electrical and air conditioning specialist; for my USA citizenship; that I find a good, full-time job; for my sister Isabel's leg to heal; for my sister Olga's pending surgeries: for my torn leg muscle to heal. *Juan*
2. My best friend suddenly passed away in an accident. Please pray for his family to stay strong in this time of extreme grief. *John*
3. I need wisdom on finding a good church for me. *Sandra*
4. Pray for Cheri to have a wonderful birthday. *Alan*
5. Pray for the Lord's blessing in my daughter Suz's health and business problems. Thank you, Lord, for your healing grace. *Margie*
6. I have some health concerns that have me worried. I have an appointment with my doctor next week. So, pray I get some answers and help. *Kathy*
7. My young niece, Allison, was diagnosed this week with MS. Please pray that God guides her path to a life for Him, and for ease in treatments and for lifestyle adjustments. *Tara*
8. Pray for all believers to read their Bibles every day. And more than a verse or two. We need to be serious. *Gloria*
9. Please pray that we sell our house. Pray for my daughter-in-law as she has a follow-up MRI for breast cancer. Pray for a clear image with no cancer. *Nancy*
10. Please pray for Sally's sister, Louise, who is being treated for a skin condition. We're asking for healing and restoration. Thank you. *Larry and Sally*
11. Pray for me as I help Rachel. God, grant me favor with those who make decisions re: help for me granddaughter, Talulah. She needs speech therapy and other therapies. *Christy*
12. Praise and Glory to God! Our son, Benjamin, is doing good and is back home. He seems to be the son and the brother we all want to be around. Please pray that God gives him wisdom and discernment, and momentum to continue toward a right relationship with Jesus. *Jeff*
13. Pray for His healing for those with physical and mental issues, for those who are grieving and homeless, and for deported families. Pray that we find love for those who are suffering from divorce, for those seeking employment, and for employers to have integrity in how they treat others. Pray for Trump and his administration. *Anonymous*
14. Pray for my wife and my children. *Luis*
15. Pray for my niece, Johanna, who has a severely sprained ankle with 4 months of ongoing pain. Pray for healing, a clear diagnosis, and treatment for her to recover fully. Please pray for my nephew, Edwin, who broke his femur and underwent surgery. Pray for healing, recovery, and no pain. *Victoria*
