

Prayer & Praise

Fellowship Community Church

February 22, 2026

Please pray for these requests this week!

1. Please pray for Chuck G. He was diagnosed with lung cancer from second-hand smoke and is now on a ventilator. It has metastasized to lymph, liver, bone, and brain. *Tara*
2. Pray for my sister, LuAnn, who has leukemia and it is no longer treatable. She only has a few months to live. Please pray. *Barbara*
3. Please pray for me to get through a rough patch. *Kathy*
4. Pray for recovery for my friend, Wiley, who is facing cancer. Pray for my wife and children, brother (Kike) in Spain, and my sister (Rosa) for recovery. *Luis*
5. Pray for our precious 96 year old neighbor who will soon be in the place her Lord has prepared for her. She has been transferred to a facility where she's so unhappy. Her only family is her non-believing son. Pray Jesus takes her peacefully. *Bruce and Ann*
6. Praise God Ezekiel is out of the hospital and is doing well at home. He went home with a continuous feed to help him grow. Pray for Rachel as she cares for him. Bless her with encouragement and love from Jesus. *Christy*
7. Thank you for all your prayers for Larry and his son, Barry. God is good! *Eleni*
8. Pray for the healing of our country and pray for our administration. Pray for the Lord's healing graces for our brothers and sisters, all children of God, including physical, mental, homelessness, families being deported, care givers. Pray each of us acknowledge those in our path and pray God gives us the courage to share our faith. God, we ask you to guide us this week to grow in faith and belief. *Anonymous*
9. Pray for the many people suffering today. *Gloria*
10. Please pray for my dear friend's 16 year old daughter, Zoe, who has seizures. She had an MRI after a recent seizure and it showed her brain to be sinking into the spinal column. She may need surgery. Pray for a miraculous healing from God. *Cindy*
11. Please pray for me as I've been really sad lately because I don't talk to my sister anymore and my parents passed away. *Matt*
12. Pray for my son, Benjamin, as he continues to struggle and has fear at the prospect of transitioning to a self-sustaining adult. Also, pray for my daughter, Olivia, that she would open her heart for God's full truth and knowledge of the deceptions this world brings. *Jeff*
13. Please, beloved brothers and sisters in Christ, pray for the following: that I pass my final practice exams as an electrician and air conditioning specialist; my US citizenship; a good full-time job; a healing for my sister Isabel's right leg; pending surgery for my sister Olga's hands and neck; recovery for me from a torn muscle; recovery of my friend, Anita, in Peru after an accidental fall; success for me in resolving two legal cases. *Juan*

14. In Central Asia, our good friend and coworker's dad was hit by a car almost a week ago and his prognosis is very bad. He is in his 80s and has dementia. The hospital has him on life support, but we are praying the family can just release him and let him go home to Jesus. The family are believers and so is he, but in their culture it is very shameful to take someone off life support. Pray this family will be a witness to their Muslim community through how they grieve - not without hope! Pray for our friend to take care of himself and sleep during this time. *Rachel*
