

Prayer & Praise

Fellowship Community Church

March 1, 2026

Please pray for these requests this week!

1. Persevere in praying for Ezekiel—for him to grow and get stronger. *Christy*
2. Dan and Kelsey are ready for the Home Study portion of their adoption journey. God is guiding each step and we are diligently praying for the baby who will one day join our family. *Gale*
3. Praise that Lou is recovering from his knee replacement surgery and it is going well. Surgery on knee #2 is scheduled for 4/9. *Lou and Sarah*
4. Praise God for so many answers to prayer in recent days. He is faithful! *Betty*
5. Pray for my safe and awesome trip to Arizona on 2/24-3/3. *Sandra*
6. Thank you, prayer warriors! Nancy, our 96-year-old friend, is now with Jesus! Pray for salvation for her son, Tom. *Bruce and Ann*
7. Please pray for my brother-in-law (Viv's older brother) who is in the hospital with pneumonia. He is not a believer. Pray for his health, but mostly that he would come to know Jesus and experience His saving grace. Please, also continue your prayers for Benjamin and Olivia. *Jeff*
8. Praise God! We won the battle with the health insurance company. They paid the large bill we received. *Sharon*
9. Pray for my brothers and sisters in Peru and Italy. Pray that the Lord would move in a way that they would know Jesus. Pray for my wife and children, for protection and strength for our family to stay focused on Christ only. *Luis*
10. Please remember to pray for our troops, especially those who are defending our freedom. *Deborah*
11. Pray for His power and strength in healing the physically and mentally ill, homeless, deported, grieving, divorced, and lonely. Pray for those who are looking for employment. *Anonymous*
12. Pray for illness to pass for Cheri. Pray for the results on a root inspection. *Anonymous*
13. We are praising God with thankful prayers for our FCC family and their helping us. Pray for screenings and testings to come. *Rob and Carrie*
14. Please, beloved brothers and sisters in faith, pray for the following: that I pass my final practices as an electrical and air conditioning specialist; for my USA citizenship; for a good full-time job; for sister Isabel's complete recovery from leg surgery; for sister Olga's pending surgeries; for my recovery from a torn muscle; for recovery of old friend, Anita M., in Peru after an accidental fall; for resolution of two legal issues. *Juan*
15. I'm in the hospital for heart issues which are okay. But it's a mystery of what is going on with stomach issues which no tests have detected. I do have Costochondritis and Sibo and can't afford the expensive medicine. More testing next week. Please pray for me. *Debbie*
