

Prayer & Praise

Fellowship Community Church

May 17, 2026

Please pray for these requests this week!

1. Please pray for Jocelyn B., who has been in extreme pain. A cat-scan has shown that she has a fracture in her lower back. Pray that pain medication eases the pain and for a healing. They are scheduled to leave on 5/13 for Texas for three graduating grandchildren. Pray for them! *Ann*
2. Thank you for praying for Clay's son who works in Bagdad. He is safely back home. We are grateful to God for protecting him and to FCC for praying for him. *Clay and Laurie*
3. Pray for wisdom and timing of a new chapter in my life. *Kathy*
4. Please pray for improved white blood cell numbers for my brother. There has been a stoppage of his kidney transplant due to his poor numbers. Please pray for continued strength and improved numbers for Scott and his wife, Pam. *Dan*
5. Please pray for Karl and his wife, Diane, to come to know the Lord and follow Him. Pray for safe travels for my daughter and myself this week. *Anonymous*
6. Pray for our church family, and that we acknowledge those in our path. Pray for Your help to love all of God's children, for whose needing physical and mental healing, and for the grieving. Pray that we build a strong relationship with Jesus living in our hearts. Pray that we live our lives as an example showing others You. *Anonymous*
7. Thank you, Lord, for forgiveness, mercy, for answered prayers, and graciousness. Pray for world peace and harmony. *Margie*
8. Please pray for wisdom for some situations I'm navigating at work. *Kellee*
9. Let us lift our voices in prayer and praise. Job lost everything, and yet he said, "May the name of the Lord be praised." Sometimes praise costs us. *Gloria*
10. Rob's four-hour surgery went very well and he is walking today. He is on five meds. I am his nurse and he needs lots of help. We paid off our bills and cards. God is faithful. *Rob and Carrie*
11. Please pray for Alexandra's safety during her pregnancy and that the baby is healthy. Please pray that Olivia and Ben would come to know Jesus better and recognize Him as Lord of their lives. *Jeff*
12. Please pray for my job as my company is being bought out. There is no guarantee of a position for me with them. *Barb*
13. Pray for Rachel and Josh as they look for a new school placement for Talulah, who needs extra help. I trust and know that God's got this. He knows who will teach her next year. I pray that the people in her school will see and love her, as she is a joy! Pray for Ezekiel who will have surgery on 4/17. Thank you, Jesus, for Lilly who is a loving and amazing big sister to Talulah and Ezekiel. *Christy*
14. Pray for successful completion of my final practical training as an electrical and air conditioning specialist. Pray for my USA citizenship. Pray that I find a good full-time job. Pray
