

Prayer & Praise

Fellowship Community Church

May 24, 2026

Please pray for these requests this week!

1. Pray for my sister, Lucy, that her dementia does not get any worse. *Margie*
2. Pray for my health, our finances, and my children as they finish another school year. Pray that God will provide jobs for them. Pray for my brother in Spain and my sister bringing them to the light. *Luis*
3. Thank you, Lord, for my birthday; another milestone with your blessings and salvation. I love Jesus! *Chantal*
4. Pray for Rob who has five weeks left in his cast. He has two weeks of PT. Pray I feel good and strong enough to take care of him. Our cousin, Lindsay, who has two girls 11 and 15 years old, had another biopsy and the pathology came as lymphoma. She sees an oncologist on Tuesday. *CarrieAnne*
5. Pray for a job for my grandson, Billy. Pray our country can learn to love one another and put the Lord and family first. Pray that young graduates get a job in their field. Pray for safety for our Cabinet and their families. Pray for peace in the Middle East. *Marilyn*
6. Please keep us and other families who will be traveling across the country to Montana this week for our nephew's wedding in prayers. Pray for a marriage that keeps Christ at the center for our nephew, Elijah, and his wife, Megan. *Tara*
7. Pray that we acknowledge those in our paths, serve others, and that we serve and support others at FCC. Pray that we forgive instead of retaliating. Pray for the "Dare to Hope" presentation to Hope College this week. Pray for the healing of our country. Thanks FCC staff for all you do. *Anonymous*
8. Pray for wisdom, endurance, and dependance for son, Bryan, as he faces challenges ahead. Pray that he keeps focused on Christ. Thank you God, for the many blessings in our lives. *Gloria*
9. Jocelyn B. update: She is still homebound and recovering from a fractured vertebra of the lower back. Now she has been diagnosed with shingles and is in great pain which keeps her from getting quality sleep. Pray that God restores her and pours out His mercy on her. *Bruce and Ann*
10. Please pray for my foot that needs healing. Also, pray for my fear problem. *Eleni*
11. Please pray for a family member, Brandon, who is in ICU fighting complications from an auto-immune disease. The family has five small children—one a newborn and one with health issues. *Anonymous*
12. Please, brothers and sisters in Christ, Pray for the following: successful completion of my final practical training as an electrician and air conditioning specialist; for my USA citizenship; for finding a good full-time job; for the recovery of normal use of my right leg; for a loan to set up a technical workshop; for a successful outcome of a legal claim. *Juan*
13. Thanks for all the prayers for the Akers family. I appreciate all you do for me, continue to pray for me! *Matt*

14. Praise God! I got everything done I needed to for end of year! Prayers for a smooth last week. Continue to pray for my brother to find God again. *Cheri*
15. Pray for our sister-in-love, Mary, as she recovers from thyroid surgery and is now in cancer treatment. Also, pray for Larry, that his chronic fatigue would go into remission. *Larry & Sally*
16. Praise the Lord that Janine and Ian have a healthy, beautiful baby girl, Illya. Thank you, Lord!
Trina
17. Our 11 year old friend, Fatema, had surgery on Wednesday and they found that she has Lymphoma that has spread to her bones. Please pray for complete healing and that this Muslim family would turn to Jesus and accept him as Savior. *Rachel*
18. Please pray for healing for body, mind, and spirit for Glenn B. Sickness has taken a lot out of him this week. Pray the Great Physician will touch his body and renew his spirit. Prayers also for Ben and his family. *Anonymous*
19. Pray for my friend, Glenda Bennett, (89 years old) in ER at Aurora South. The prognosis is not good for her gut issues. Pray for comfort and peace for her and family! *Sandra*
20. Please pray for my cousin's husband, Bert, who had a severe stroke a few days ago. Please pray for his quick recovery and healing from the effects of this stroke. Pray for his doctor and medical staff. Pray for his wife for peace and comfort during his recovery. *Glinda*
