

Prayer & Praise

Fellowship Community Church

June 14, 2026

Please pray for these requests this week!

1. Please continue to pray wellness for our "sister-in-love", Mary, as she continues treatment for thyroid cancer. Also, pray for Larry's chronic fatigue syndrome to go into remission. *Larry and Sally*
2. Please pray for Eleni who is having problems with her left foot. *Larry*
3. Continue prayers for Jocelyn as she continues to deal with daily pain due to a fracture in her back that is zapping her stamina. May she experience God's abundance (daily) in his faithfulness, love and mercy. Praise for God's equipping us in every way as we cared for our precious friend, Richard (Alzheimer's) while his wife was on a graduation trip to be with their granddaughter. *Bruce and Ann*
4. Praise God! God kept us safe and healthy as we were on a 5,000-mile road trip celebrating Joel's graduation, my niece's graduation, moving Joel to NJ/NYC, and volunteering in a retreat for Hindu background believers. Pray for two jobs (Joanna and Joseph) and for Cynthia's shoulder. *Joseph*
5. Pray for my 6/9 court date for a car accident. *Deb*
6. Pray for my eye surgery scheduled for Wednesday at noon. It is the third surgery due to very high eye pressures from Glaucoma. Pray that I regain lost sight. *Ivan and Lois*
7. Pray that family and friends come to know Jesus, our Savior! *Margie*
8. Pray for wisdom for our President in dealing with Iran. Pray for peace and love in America, and that young people turn to the Lord. Pray for election candidates who are Christian and moral and are right for America. Pray that my grandson, Billy, gets the right job, and the same for other young people. *Marilyn*
9. Pray for my mom who needs a hip replacement. Pray for a good doctor. Pray for me to be a good person. *Amanda*
10. My wife, Emily, needs a healing in her leg and knee. My friend, Wiley, is continuing in his journey of recovery from cancer. May I love God always for all that he does. *Luis*
11. Pray for Annise as she adjusts to her glasses. Pray that they help her with her reading. Also, pray for direction for her this fall, where we send her, and what grade to be in. *Cheri*
12. Pray for my cousin Margaret who is having unexplained pain. Pray for her husband, Joe, who had a stroke. Continue to pray for Dennis' recovery and John's salvation. *Bonnie*
13. Thanks for praying for Bryan. Please continue as the next three weeks may be difficult. *Gloria*
14. Please continue praying for our 12-year-old friend, Fatema. They had to stop chemo due to bad side effects. She is on two strong antibiotics and pain meds for sores in her mouth and esophagus, and she can't eat. Pray for a miracle of healing! *Rachel*
