**Fellowship Community Church**

June 28, 2026

*Please pray for these requests this week!*

1. Please pray for my girlfriend, Edie, who is in the ICU in Parker. She developed sepsis after surgery last week. It has caused AFIB and kidney issues resulting in her being kept sedated. She is a strong Christian in need of serious prayer for this issue. *Jenny*
2. Please pray for my job situation. I will find out this week if I have a permanent job, a temporary job, or no job. *Barbara*
3. Please pray for my children, Zackery and Alexa Bree to return to Christ. I am asking for him to be the faith leader in his home. He has a young son. Alexa is living a wayward life away from Christ. They know the truth and please pray that they return to it. *Tara*
4. Pray for my friend, Wiley, to be healed in his battle with cancer. Pray for my brother in Spain, my sister in Colorado, and my family. *Luis*
5. Please continue to pray for our needs. Praise God for He is good! *Cynthia*

7. Pray for Ellen, whose husband died suddenly. Pray for their son's family also as they deal with this loss. *Marilyn*
8. Pray that my grandson, Billy, gets a good job. Pray for peace with Iran and that young people embrace the Lord. Pray Americans respect our country, are grateful for our freedom, and VOTE. Pray for our families. *Marilyn*
9. Pray that my husband's kidneys get better and that his sleep study goes better. Please pray that I can handle things that I need to do. Please pray for my son, Anthony, to see his kids again. *Sheila*
10. Pray for my friend, Janet, who has been trying to sell a house for four years. It is supposed to close on Friday and there is yet another roadblock. She needs help for her faith as she is discouraged. *Candice*
11. Pray for my son, Jon, who would like to get the job he has interviewed for. It would allow him to have more time at home and better benefits. *Sandra*
12. Praise for a successful week professionally for Sarah. Pray for safe travels from the UK for niece, Darcy, who arrives Thursday. Praise that Louis and Jack are recovering well from recent medical issues. *Sarah and Lou*

15. Please pray for my left shoulder/neck/arm as I've been in pain for two weeks. *Gale*
16. Pray for the many partners and attendees suffering from severe health issues and the discouragement they are dealing with. Pray for strengthened faith and experiencing the presence of God, and for hope to replace discouragement. God's faithfulness and love endure forever! *Ann*
17. On Tuesday, 6/16, my dad, Mike, passed away somewhat suddenly after a brief stay in the hospital. I ask for prayers for my mom, Leona, my brother, Wes, and myself as we were all very close. Pray for God's peace to cover us and the rest of our family. We are heartbroken but know God holds us in His capable hands. *Michelle*
18. Please, beloved brothers and sisters in Christ, pray for the following: successful completion of my training as an electrician and air conditioning specialist; my US citizenship; for finding a good, full-time job; healing for my right leg; for finances needed to set up a technical workshop; for successful outcome of legal issues. *Juan*
