

## *Prayer & Praise*

**Fellowship Community Church**

July 5, 2026

*Please pray for these requests this week!*

1. Please pray for my trip to Indiana with my father, Vern, for a book signing of his memoir. He is 96 years old and not saved yet. Pray for the journey and for salvation for him. Pray also for my son, Daren, who needs a job. *Betty*
2. Praise that our niece, Darcy, is here with us from the UK for two weeks. Pray for Kyle to find a job with prospects and long-term security. *Sarah and Lou*
3. Praise God for Joanna's birthday. *Cynthia*
4. Please pray that my son, Jon, and his wife, Jenn, will continually attend church. Draw them to you, Lord! *Sandra*
5. Please pray for Anthony and Viet, two brothers who live next door. God knows! Also, pray for Helen and her family, for peace after they lost their father/husband. *Eleni*
6. Pray for the healing of our country. Pray for those in the Trump administration. Pray for us all as children of God, to love our brothers and sisters. Let us acknowledge those in our paths. Pray for healings physically, mentally, depression, divorce issues, those grieving, and the homeless. Pray for the FCC staff. *Anonymous*
7. Praise the Lord for answered prayers. Vivian's brother, Mark, has recovered from pneumonia and is doing better. We also pray that Mark would be open to hearing God's truth, and that we would be presented with the opportunity to share that truth. *Jeff*
8. Thank you for praying for Brian. He is doing well but it isn't over yet. *Gloria*
9. Thank you for your continued prayers for Dan and Kelsey's adoption journey. My neck/shoulder/arm is still an issue that was made worse by a car accident last week. I appreciate your prayers as I am having trouble sleeping. *Gale*
10. Our friend, Carly, was diagnosed with breast cancer that has spread to her lymph node. Please pray for wisdom for the doctors. *Lynda*
11. Please lift up my family and the health challenges many of them are dealing with. *Deborah*
12. Continue to pray for Annise, and that her reading will keep improving. Pray for guidance for her for the next school year. *Cheri*
13. My job has been extended as temporary through October. Pray that I can find a permanent job after that. *Barbara*
14. Pray for my new friend and that we have fun together with peace. Praise to God, my mom feels a lot better. *Amanda*
15. Pray for those who are in a dark place right now. And that they come to see the light. Thank you, Jesus. *Margie*
16. Beloved brothers and sisters in Christ, pray for the following: my wife Mariela's green card renewal; successful completion of training as an electrician and air conditioning tech; my US citizenship; finding a good, full-time job; right leg healing; success in setting up a technical workshop; successful outcome of legal claim. *Juan*
17. Pray for Mark's 80-year-old friend and co-worker, who fell at work at a golf course and broke his hip. He is in the hospital and then rehab will follow. Not sure if he is a believer. Please pray for Terry. *Mark and Anne*

18. Please pray for Fatema, our 12-year-old friend with cancer. She is in ICU and they told her dad that she might not survive. They're getting ready to put in a breathing tube because she is having so much trouble breathing. *Rachel*
19. Praise Jesus I have a renter signed a year lease! *Brittany*
20. Pray for my grandson facing legal accusations. Pray for God to help him find the right path and guide him safely. Pray for the truth to be told. *Linda*
21. Pray for Ann, who is very sick and hospitalized at Sky Ridge. She became very weak, her blood pressure was very low, and her heart rate was elevated. She apparently is back into AFib and atrial flutter. We sadly had to cancel our trip to OH. *Bruce*
