August 2, 2026

Please pray for these requests this week!

1. Please pray for my upcoming appointment with a kidney specialist. My numbers are high and it caused my sciatica surgery to be postponed. *Gale*
2. Pray for Jenn, my daughter-in-law, who has been diagnosed with a connective tissue disorder. She is still awaiting the results of more tests and blood draws. She needs to find a PT that specializes in connective hEDS disorder. *Sandra*
3. Pray for healing for those who have physical and mental issues, and for those suffering with depression, grief, addiction, and divorce. Pray for caregivers. Thank you for being a child of God. We must serve our neighbors. *Anonymous*
4. Pray that my grandson, Billy, finds a good job here, and for peace in the Middle East. Pray we raise up Christian men and women to run our country. Pray that young people know the Lord and allow the Lord to guide them in this school year. Pray for no more antisemitism. *Marilyn*
5. Please pray that I am guided to the right path for myself and my family members. We are struggling to find our paths that God has set for us. *Linda*
6. As I prepare to move, pray for my job of downsizing and finding homes for things I won't be taking to my new home. *Kathy*
7. Please pray for sight to return to Ivan's right eye after laser surgery. *Lois*

12. Please pray for the upcoming November elections, as it appears that many voters don't understand the horrible dangers of certain ideas. *Tim*
13. Please pray for my oldest son, Glenn, who God knows what he needs. My heart aches everyday for him. *Georgia*
14. Praise God! Ezekiel's eye surgery recheck went well. Pray for Rachel and Josh, that God provides a car to replace the one that was rearended a week ago. Hopefully, it is with a newer one. *Christy*
