16. Pray for me as my husband has asked for a divorce and I am looking for a home. God, let me see your hand in every step! Pray for my safety and for my husband, who is not a believer. *Kathleen*
17. Please, beloved brothers and sisters in faith in Christ, pray for the following: green card renewal for Mariela; my successful completion of electrical and air conditioning training; my US citizenship; finding a good, full-time job; complete healing of my right leg; success in setting up a technical workshop; successful outcome of a legal claim. *Juan*
18. Pray for our 12-year old friend Fatema with cancer. They plan to do a trach surgery this week so she can get off a ventilator and come out of the PICU. Pray that she will miraculously not need to trach and be able to breathe on her own. Please also pray for wisdom for her unbelieving family that they would cry out to Jesus, the healer and God would use this precious girl to reach the Afghan community here! *Rachel*
