

Prayer & Praise

Fellowship Community Church

August 23, 2026

Please pray for these requests this week!

1. Please pray for my daughter-in-law, Kathryn, that her mammogram on 8/31 is clear from her two-year battle with breast cancer. *David*
2. Pray for those needing physical and mental healing, grieving, addiction, and going through divorce. Pray for caregivers. Pray that we acknowledge those in our path. They are our brothers in Christ. Pray for the healing of our country, and that we serve others vs. ourselves. *Anonymous*
3. Pray for my kids as they return back to school. Also, pray for our district as it deals with new law changes in our schools. *Luis*
4. Please pray for my brother and his young adult daughter who are homeless. Due to circumstances, family cannot let them stay in our homes. We don't know how to help them. *Anonymous*
5. I'm moving to Arvada on 9/3. At my age, this is feeling overwhelming. Pray for better rest and peace of mind as I navigate this move. I love FCC and I will miss this church so much! *Kathy*
6. Pray for peace in the Middle East. Pray we raise up our children to know Jesus. Bless families and reunite them. Pray for our president and cabinet. Keep them safe and give them wisdom. Pray we in the USA love one another and care for each other. *Marilyn*
7. Praise that my mom's hip replacement went great. Her bones are in good shape for 84. She had a fracture in her femur that was also repaired. Pray that she will cooperate with the PT as she has not so far. Pray that my dad's truck will be repaired at less cost. *Monica*
8. Praise God! He is working in our lives. He is changing people we love. We pray to persevere for the lost and the prodigals. *Christy*
9. Please continue to pray for Lindsay and her chemo, which has given her a very rough week. Pray for her husband who had knee surgery and is recovering at the same time. My EKG showed a stronger left ventricle. Pray it gets to 50% strength. Pray that Rob's shoulder heals, and for his therapy. Pray for Shela S's husband who is waiting on Medicare approval for a c-pap for apnea, as continues feeling dizzy. I am waiting for a call about seeing a kidney specialist. *Rob and Carrie*
10. Our daughter, Olivia, has an upcoming interview for a great opportunity in Boulder. Please pray she is prepared and not too nervous. *Jeff and Vivian*
11. Please continue to pray for my son, Glenn, that Jesus would meet him where he is. He needs physical and emotional healing, and deliverance from alcohol. God can do anything and he needs a miracle. *Georgia*
12. Pray for Joseph's job and for an unspoken family need. *Joseph*
13. Pray for my friends' sons, Brian and Sean, to get jobs! They were recently laid off. *Gloria*
14. Pray for a safe road trip to Missouri to see family. *Brenda*
15. Pray for restoration in our families. Pray for loved ones who have never received Christ as Savior, and for those who have knowledge of Him but not a relationship. May they

come/return with showers of converting grace. Open their hearts and minds to our precious Holy Spirit. *Bruce and Ann*

16. Praise God that Fatema is out of the PICU. She is breathing on her own, so she did not have to have a trach put in. She is still very weak, but all her numbers are better. Keep praying for complete healing of the cancer and for her family to come to faith. *Rachel*

17. Jesus, thank you for all the blessings you give! *Anonymous*

18. Pray for a difficult woman in my life, Susan. Pray her heart is softened and the Lord heals her emotional pain and bitterness. Pray for her salvation and restoration. *Heather*
