Too Busy to Give Thanks

Matthew 11:28-30

Despite what the world promises - with its rapid pace and cornucopia of distractions—real life is only found in Jesus: through his death and then as we match our pace to His.

Questions to Discuss with Others:

- If you continue living as you have been, what kind of person is your way of life turning you into?
- What, if anything, is attractive about Jesus' offer in Matthew 11?
- For those of us who belong to Jesus, what about his yoke (way of life) do you need to learn from Him?
- What practice of Jesus will you adopt to begin matching your pace of life to His?
