Hebrews 13:20-21

1. What does Paul teach us about the “God of Peace” in Romans 15:13 & 16:20?
2. Why is the new covenant eternal? *See Hebrews 7:22-25*
3. Why did God pass through the sacrifices in Genesis 15:9-18?
4. How does our Great Shepherd equip us? What tools does He use?
5. What does Jesus teach us about being equipped in Luke 6:40?
6. The verb “to equip” can be used for solving a math equation, setting a broken bone, preparing an army for war, and repairing a fishing net. How can we apply these uses to the process of us being equipped to serve the Lord?
