### 2 Timothy 2:1-4

1. How did John advise soldiers in Luke 3:14? Why did he say this?
2. How do we please God according to Romans 8:8, Galatians 1:10, 1 Thessalonians 4:1-2, and Colossians 1:9-12?
3. What is the danger described in 2 Timothy 2:4? What is a remedy in Hebrews 12:1-2?
4. Why do we suffer as soldiers? Look at the example of Epaphroditus in Philippians 2:25-27.
5. Why can we know that we fight from victory not for victory? See *1 Timothy 1:18-20*.
6. How do you respond to this instruction of being a soldier of Christ Jesus?
