- Pray for OCC collection week and the many opportunities to share Jesus. May we choose to give our time, wealth, and friendship, and Jesus. We have so much to be thankful for. Let us not forget our blessings, especially the gift of salvation from a loving God. *Christy*
- My friend, Cynthia, has been sick for more than 2 weeks with respiratory issues (not COVID), and the doctors have not been able to determine what is causing this nor how to treat her condition. She is getting weaker and weaker by the day. Both Cynthia and her husband are strong Christians and are trusting God to heal Cynthia. Still they are very concerned since currently, nothing is helping her improve. Please pray for wisdom for the doctors to determine the cause/treatment and for the peace of God to remain close to Cynthia and Tony. Thanks for praying. *Nancy*

- Bruce's only sibling, Jean, lost her son, Trent, age 59, on 11/8 from a heart attack. She is the one who found him. He was a believer. Pray for her daughter, Jill, and husband, Rick, and their four kids during this time of grieving. Pray they experience God's love, mercy, and comfort. *Bruce and Ann*
